Dear Friend,

As the year draws to a close, I pray you've enjoyed a joyful Christmas season celebrating the birth of our Savior. Enclosed is a 2025 stick-on calendar for you to use throughout the coming year. While we originally planned to send it with our Christmas card earlier this month, but unexpected delays prevented us from including it on time.

Even so, this moment is a perfect opportunity to thank you for your partnership with us over the past year. Your support has been vital in helping us move closer to making *Vision 100* a reality. By God's grace, we've added new chaplains to our team and launched new ministries across North Carolina. Our mission is to blanket the state with God-fearing, Bible-believing, Jesus-following chaplains who build meaningful relationships, earn trust, and share the life-changing good news of Jesus Christ in a compassionate and non-threatening way. We couldn't do this without you!

To continue growing, we recognize the need to expand both our chaplain team and our administrative support. Ralph and I spend much of our time managing administrative tasks—maintaining our certification program, recruiting new chaplains, and connecting with public safety agencies about chaplaincy. As our ministry grows, so does the workload. At our recent banquet, I shared our goal of raising \$50,000 in new donations to fund two part-time administrative positions. These roles will be vital to sustaining and supporting our growth.

We cannot fulfill God's calling without the partnership of His people. I want to ask you to prayerfully consider joining us in funding these positions. The need for chaplaincy grows each day, and we know that first responders need trained, gospel-centered chaplains to serve them. Your support is essential to making *Vision 100* a reality. I invite you to simply ask God how He would lead you to partner with us.

If you would like to partner with us by giving monthly, you can find instructions to do that on our website at EChap.org/donate. If you have stock that you would like to give, you can do that as well. You can give the following information to your financial advisor:

I understand this is a significant request, but we know that God has called us to establish a sustainable chaplaincy ministry in all 100 counties of North Carolina. It's a vision far beyond our abilities—a true God-sized mission. I simply ask that you prayerfully consider how God might lead you to partner with us.

As we step into 2025, my prayer is that we would see the Lord do more than we could ever ask or imagine. I'm deeply grateful for your partnership in the gospel and for your vital role on our team as we serve Jesus together!

Sincerely,

Dylan Stone
Assistant Director
